**No.35** Comment for Q.34

- Although it said on the syllabus that there will be a lot of discussions which was one of the reasons why I took this class, we never got the chance to speak. I wish we had group discussions at least.
- not a lot of participation
- Mentimeter isn't sufficient, and I don't think the population of the course is too large for presentations, discussions, debates and so on.
- This class was the first time to use mentimeter for me. It can easily to state idea even a shy people.

**No.36** Please state what you expected specifically from this course. Were your expectations fulfilled? If not, why do you feel they were not?  
 このコースにあなたは何を期待していましたか? その期待はどの程度満たされましたか?

- There were no discussions and I was very disappointed. The professor said this was because the students are rather shy. But I think this can be overcome by having group discussions because it is easier to say our opinions that way.
- I expected to learn world history - facts.  
 I did learn facts, but this class focused more on the analysis and critical thinking.
