improve the course.

この授業の改善すべき点は何ですか? 単なる批判ではなく、授業の改善につながるような建設的な意見を書いて下さい。

- Maybe have better presentations slides so that the we can visually see the information being said by the professor.
- nothing
- Participation should not be as accounted for in large classes such as these.
- It would have been more helpful if the professor or the TA visits each group during breakout room discussions so that students could ask questions when they did not understand the topic covered during the lecture and the discussion is stuck.
- -
- Maybe the slides and main points for the lecture could be organized better, so it's easier to understand.
- ブレイクアウトルームディスカッションで全く喋らない人がいるのに、その人の分も mentiに学籍番号を書かないといけなくて苦痛だった。
- I have no faults.
- Discussion time was kind of boring.
- The mandatory readings were a bit long and overwhelming when I had other exams for other courses so I would appreciate if there were mandatory videos as well to get a better understanding
- It would be helpful to receive grades on homework and improvements throughout the semester.
- That would be better if the teacher provided us with a clear summary at the end of each class using a slide.

- My network was so bad and sometimes I had power outages. It was hard to read class materials and also participate in the breakout rooms
- The instructor and the assistant were both very willing to clearly explain and discuss the complex concept of IR and its theories. In particular, the feedbacks given after each assignments were very valuable, helpful, and thorough. - 教授からだけでなく、TAの方からもたくさん刺激をもらった。特に質問にもわかりやすく積極的に答えてくれて良かった。
- I really appreciate the professor and teaching adviser Yuki-san, who are dedicated to support students. Even though I learned International Relations for the first time, thanks to their support, I enjoyed the class.
- It would be great if the classes are in-person class but due to covid it is impossible.
- Thank you for teaching

- ・ 少し気になった点として期末テストの後に一回クラスがあつたが普通に考えたら期末テストを最後に持つてくる方が良いのではないかと感じた。
