No.36	<p>Please state what you expected specifically from this course. Were your expectations fulfilled? If not, why do you feel they were not?</p> <p>このコースにあなたは何を期待していましたか? その期待はどの程度満たされましたか?</p>

- I had no knowledge of African countries but the awareness of emerging China's relations with Africa. But when I saw what's really going on in African states using lenses of IR theories, it was so interesting that it exceeded my expectation before attending this class.
- I expected to learn about IR in Africa. Of course, how much you can learn is subject to the number of readings you can complete, which becomes difficult by midterms and finals
- My expectations were fulfilled as even though this was an entirely new subject for me as a History major, I feel I learned an enriching and fruitful amount of information about Politics and International Relations in Africa.
- Learn about how Africa is a global player in today's world, how Africa's history (pre, during, and post-colonial era) has shaped Africa, United Nations within Africa
- I expected to learn about politics in Africa and my expectations were all fulfilled
- I expected as written in the syllabus when i was registering for this course. My expectations were fulfilled and I really liked the course

No.37	<p>What specific aspects of the course were stimulating to you, and why?</p> <p>このコースからあなたが触発されたことはどのようなことですか?</p>
--------------	--

- I was very interested in the topic of the course as I was clueless and unfamiliar with it. I also enjoyed some of the readings and was enlightened by the new learnings and discoveries
- The talk from the guest lecture raised my interest in international relations.
- Guest speakers provided a different perspective, which helped me understand wider approaches to the subject matter.
- The student discussions and presentations during the class
- Interactive discussions (using Menti), research into case studies and adding my own personal takeaways and opinions, etc.
- I enjoyed the visual sources and the documentary videos on the different subjects which enhanced my learning experiences.
I also really enjoyed the guest lectures, especially the one about EU relations with Africa as I am European.

- Thank you for the class. I enjoyed the interactive nature of class discussions, where I was able to connect things I had learned in other IR classes. Just like previous classes led by Professor Salton, we were reminded to always question our preconceived notions.
